*Created in 1996, the **Crittenden County Leadership Program** allows local professionals to learn more about their community and work with local leaders to address problems and achieve solutions. This program encourages graduates to become better, more involved leaders within their community and profession. Numerous activities are scheduled throughout the year to submerge class members into the local economy, infrastructure and culture of our region. These events strengthen individual and team leadership skills and class mates form bonds that extend past their service year. Through active involvement in this program, class members are also able to improve their management, interpersonal and communication skills.*
